

# Top 10 Tips

When you are putting together your episode of Blue Peter, here are our top 10 tips:-

1. Write a plan of what you want to say, like a menu of the show. For example...
  - Hello
  - Explain what is going to happen in the show today
  - Introduce guests
  - Interview guests
  - Talk about how you can help people through the new Appeal
  - Goodbye
2. Then write a script of what you want to say, following the menu you have written, and allocate who needs to say what
3. Make sure what you say is clear

8. Don't forget the pets!
