

## **OPERATION SMILE UK STUDENT LEADER AGREEMENT**

### **STUDENT LEADER WITH OPERATION SMILE UK**

At Operation Smile, we believe an investment in students is an investment in our future. Our focus on youth leadership has been an integral part of our organisation since our inception in the US.

One of the ways Operation Smile will continue to make a lasting difference is if the culture of caring and humanity is transmitted to our youth to take that excitement and energy into our next era of smiles.

### **YOU CAN DO IT! HELP CHANGE LIVES, ONE SMILE AT A TIME!**

### **ABOUT OPERATION SMILE**

Operation Smile is an international medical charity that has provided hundreds of thousands of free surgeries for children and young adults in developing countries who are born with cleft lip, cleft palate or other dental and facial conditions. It is one of the oldest and largest volunteer-based organisations dedicated to improving the health and lives of children worldwide through access to surgical care.

Since 1982, Operation Smile has developed expertise in mobilising volunteer medical teams to conduct surgical missions in resource-poor environments while adhering to the highest standards of care and safety. Operation Smile helps to fill the gap in providing access to safe, well-timed surgeries by partnering with hospitals, governments and ministries of health, training local medical personnel, and donating much-needed supplies and equipment to surgical sites around the world.

Founded and based in Virginia, U.S.A, Operation Smile has extended its global reach to more than 60 countries through its network of credentialed surgeons, paediatricians, doctors, nurses, and student volunteers. Operation Smile UK was founded in 2001 as a charitable company and registered with Charity Commission in 2002. We work collaboratively with the Operation Smile Inc. and its other foundations to meet our objectives.

### **OPERATION SMILE VISION AND MISSION**

We dream of a world where no child suffers from lack of access to safe surgery. At Operation Smile we believe every child suffering from cleft lip or cleft palate deserves exceptional surgical care; all children deserve to be treated as if they were our own
